

PAT. NO.	Title					
D818,217	Laundry washing module					
D816,282	Laundry washing module					
9,945,590	Air Conditioner with selective filtering for air purification					
9,939,193	Apparatus, system, and method for storage in a refrigerated appliance					
9,874,394	Method of making a folded vacuum insulated structure					
9,845,562	Laundry system with a laundry module for washing a load of fabric items					
9,845,561	Laundry module for washing a load of fabric items					
9,835,369	Vacuum insulated structure tubular cabinet construction					
9,795,010	Sensor system for refrigerator					
9,759,438	Air conditioner with selective filtering for air purification					
9,731,234	Liquid pitcher including divided fluid filter for inlet and outlet filtering					
9,714,779	Air conditioner with selective filtering for air purification					
9,702,619	Controlled, dynamic lighting of interior of appliance					
9,642,214	Sensor system for refrigerator					
9,611,578	Modular laundry system					
9,599,353	Split air conditioning system with a single outdoor unit					
9,550,138	Gravity fluid/water filter system					
9,546,442	Modular laundry system and laundry module					
9,539,526	Filter assembly and systems/methods of dispensing from and storing the filter assembly					
9,511,315	Water pitcher with filter					
9,347,701	Refrigerator module mounting system					
9,310,123	Method of making an appliance door					
9,252,570	Countertop module utilities enabled via connection					
9,212,848	Apparatus, system, and method for storage in a refrigerated appliance					
9,187,855	Modular laundry system with work surface					
9,003,825	Refrigerator with module receiving conduits					
8,986,483	Method of making a folded vacuum insulated structure					
8,944,541	Vacuum panel cabinet structure for a refrigerator					
8,739,568	Appliance feature module enabled by energy or materials sourced from the host appliance					
8,522,563	Method of forming conduit receiving passageways in a refrigerator					
8,479,542	Modular laundry system with work surface having a functional insert					

8,459,067	Modular laundry system with vertical laundry module			
8,456,040	Refrigerator module utilities enabled via connection			
8,453,476	Refrigerator module mounting system			
8,413,470	Modular laundry system with vertical laundry module			
8,381,552	Modular laundry system with vertical laundry module			
8,375,750	Modular laundry system with vertical laundry module			
8,336,975	Plenum on front of refrigerator/freezer door			
8,322,169	Modular laundry system with vertical laundry module			
8,299,656	Feature module connection system			
8,286,452	Modular laundry system with segmented work surface			
8,154,857	Appliance host with multiple service interfaces for coupling multiple consumer electronic devices			
8,128,184	Double-sided door module			
8,117,865	Refrigerator with module receiving conduits			
8,072,738	Writing surface with removable portable electronic device			
8,035,958	Functional unit of a consumer electronic device and writing surface			
8,033,038	Ironing station			
8,033,037	Ironing station			
7,954,914	Retractable hanging element			
7,934,958	System for mounting a device to a host
